# Ideas, made real.

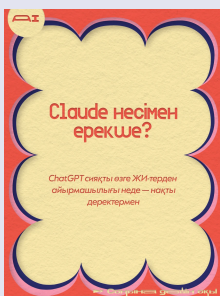

Graphic design, art direction and expressive visual systems.

# Sushi Social Club

Concept campaign / Art direction

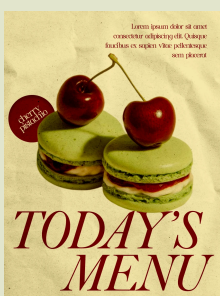

Nine social designs for an imaginary sushi club, connected through deep red, close food crops and expressive typography.

# Claude Magazine

Concept editorial series / Art direction

Eight editorial posts exploring a warmer visual language for AI.  
Independent work; not an Anthropic commission.

# Macaroon Club

Concept campaign / Art direction

Nine playful dessert posts built around colour, texture and oversized typography.

## Type & Feeling

## Poster design / Typography

Three independent poster studies exploring expressive type, rhythm, colour and composition.
